IMMIGRATION

CONSULTING

YOUR GUIDE TO CANADA!

@TOTEMEDUCATION

What is IMMIGRATION consulting?

Canada offers several immigration programs whose rules are frequently updated.

The consulting works like a compass: in addition to offering strategies tailored to your profile, reality, and goals, it also provides information on financial planning and support regarding the necessary documentation to start your plan efficiently.

IMMIGRATION CONSULTING MAKES LIFE EASIER FOR THOSE WHO WANT TO BUILD A FUTURE IN CANADA!

Who are the IMMIGRATION consultants?

In addition to having vast experience, Totem consultants are certified by the Canadian government.

That means they are professionals familiar with the Canadian immigration system and have the expertise to indicate which programs are most suitable according to each client's profile.

Furthermore, if a visa is denied, consultants have the right to request an ATIP, which is the document that records the reason for the refusal. This information is extremely valuable when preparing a new application.
